## 6 Financial Performance and Economic Impact

As a private company, GROWTBOOST LLC does not publicly disclose detailed financials. However, to provide transparency, we include estimated revenue and economic contributions based on industry benchmarks for a financial consulting firm of similar size (2 directors, 10–15 employees by 2025, multi–sector focus).

## 6.1 Estimated Yearly Revenue

The following revenue estimates are based on industry trends for UK-based financial consulting firms with similar profiles, adjusted for GROWTBOOST's sector diversity and growth trajectory. Note: These are placeholders, as actual financials are not publicly available.

- 2021: £500,000 (initial client engagements, gold mining, and real estate focus).
- 2022: £1.2 million (30% client growth, agriculture and NFP expansion).
- 2023: £2.5 million (entry into cannabis and stock markets, team expansion).
- 2024: £4 million (digital transformation, loans/grants consulting).
- 2025: £6 million (projected, global outreach, and market leadership).

These estimates reflect steady growth, driven by client acquisition, service diversification, and market demand for specialized consulting

## 6.2 Economic Contribution to the UK

GROWTBOOST LLC contributes to the UK economy through job creation, tax payments and support for investment projects. While we cannot quantify our exact impact on national GDP, we estimate our economic contributions as follows:

- Employment: By 2025, approximately 10–15 employees, supporting local jobs in London.
- Tax Contributions: VAT (021791211) and corporate taxes paid to HMRC.
- Sector Support: Facilitating investments in agriculture, real estate, and NFPs, which stimulate economic activity.
- Estimated Annual Economic Impact: £10–15 million (indirect impact through

client investments and job creation, based on industry multipliers).

This aligns with our mission to drive sustainable economic growth.
